Height: 56 cm (22")

Width: 75 cm (29.5")

Framed Height: 70 cm (27.6")

Framed Width: 91 cm (35.8")

Description

Two Edwardian yachts are romping home from racing at a venue westwards down the channel coast, but have picked up a freshening wind en-route, and a south/south-westerly breeze often kicks up swells in the the Needles Channel where it narrows into the Western Solent, particularly against an ebb tide. Both yachts have therefore dropped their topsails and reduced sail to a comfortable working rig before they enter smoother water.
